

Dust Bunnies' Revenge

Dust Bunnies,
Seem to hop about,
They could just,
Sit up and shout,

“Nobody dusts,
around this place,
at least not in this
particular space.”

Enter guests,
This is not funny,
Our cat finds
Three and four dust bunnies.

Cute and fluffy,
Pets you need,
And these don't even
Need fresh feed.

With little effort,
And no money,
You can have,
Your own dust bunnies.
