This volleyball camp will place emphasis on instruction of fundamentals from each aspect of the game. Instruction will be given on hitting, setting, passing, and serving, offense, defense, and fun games that you can play at home to make yourself a better player.

This camp is considered one of the best youth camps in the state. It's a great way to see how you stack up against other players from around the area.

This camp promises to be engaging and should get your daughter(s) ready for the season. It's also a good opportunity to meet kids from other schools.

Each player who attends will get a camp t-shirt. Players should have lots of fun and learn to play the great game of volleyball the right way.
