

**PRAYER: IN MEMORY OF DR KING**

*God of Life,*

*Hear our cry for justice.*

*Hear our cry for equality.*

*Hear our cry for your help.*

*Put an end to racism in every form in every sector.*

*Stop genocide in our communities and communities  
around the globe.*

*Morning has come, yet darkness abounds all around.*

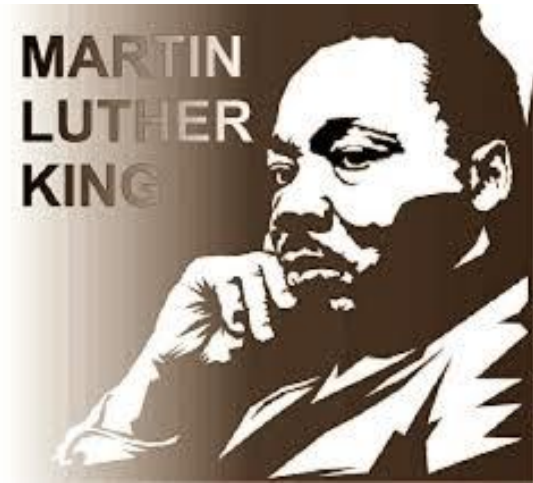

*Grant us courage to be your vessels of light.*

*Give us peace.*

*Make us a peaceful presence in all situations and  
circumstances that we face.*

*Endow us with Your unconditional love, so that we may be love, know love,  
and give love unconditionally.*

*Amen.*
