I PLEDGE MY HEAD TO CLEARER THINKING, MY HEART TO GREATER LOYALTY, MY HANDS TO LARGER SERVICE, AND MY HEALTH TO BETTER LIVING, FOR MY CLUB, MY COMMUNITY, MY COUNTRY, AND MY WORLD.

## Static & Fashion Exhibit Judging

Static & Fashion Judging Day is Tuesday, July 7<sup>th</sup> in Clover Hall. All non-livestock exhibits will be judged on Tuesday, July 7<sup>th</sup> in Clover Hall. Judging will take place in the morning and state fair exhibit selections will be made in the afternoon. 4-Hers are allowed to bring as many exhibits as they wish within the project area(s). Entry rules and guidelines can be found on pages 31-42 in the 2015 Greene County Fair Book.

Judging will take place from 8:30am-1:30pm, with a judges lunch break from 11:30am-Noon. Each club is assigned a check-in time. These club times break up the traffic flow and allow for a smoother morning. If you have conflicts with your clubs scheduled time or you have a large number of exhibits, you may come in at another time. Please keep in mind there is no guarantee that you will get in to see a judge immediately. You will have to wait in line to see the judge(s), please plan accordingly.

After judging, Clover Hall will be closed for the judges to make their final State Fair selections. During this time, no 4-Hers, parents, or club leader are allowed in the building. Clover Hall will re-open after the judges have finished their selections.

## CLUB JUDGING SCHEDULE

The following is the exhibit judging schedule for Tuesday, July 7<sup>th</sup>. If you have a lot of exhibits, you are welcome to come earlier in the day to ensure that you have time for everything to get judged.

## 4<sup>th</sup> GRADE JUDGES

There will be judges specifically set aside to judge the 4<sup>th</sup> Grade exhibits. 4<sup>th</sup> graders are not eligible to advance to the State Fair, but are eligible for outstanding exhibitor awards. All 4<sup>th</sup> graders need to be judged by a 4<sup>th</sup> grade judge for their exhibits. No one over 4<sup>th</sup> grade can be judged by these judges. 4<sup>th</sup> Grade = students who have just recently completed 4<sup>th</sup> grade.

## LARGE EXHIBITS

If you plan to bring a large exhibit to fair, please call the Extension Office as soon as possible. That way we can plan accordingly, as space will be tight. Past large exhibits have been, trailers, hunting shields, dog houses, dressers, etc.

## 4-H EXHIBIT RULE

You may only have four (4) exhibits judged by a judge at one time. For example, if you have 6 photos, the judge will evaluate up to four of them when you meet with him/her. You must return to the end of the line and wait to work your way back up to have the rest of your photos judged. This rule is true for all exhibits on static judging day.

## **CLOVER HALL EXHIBITS**

### **PREP TABLE**

Are you a new 4-Her or maybe you have questions about how to attach your goal card and exhibit tag? Are you still deciding what class your exhibit should go in? We have answers! There will be a prep table available to answer your questions and help you on static judging day. The prep table will only be available in Clover Hall on the morning of judging, Tuesday, July 7<sup>th</sup>!

### **All of my Exhibits are Ready for Exhibit Judging Day, What Do I Need to Do Now?**

See the last page of this newsletter to assist you with this question! There are photos to show you what each form looks like that you will need.

Also, you are able to print your own versions of fair forms at the Greene County 4-H Website:

<http://www.extension.iastate.edu/greene/news/are-you-ready-static-fair-judging-day-click-here-more-information>

### **RIBBONS**

The judges for the static judging day will be judging on a blue, red, and white ribbon scale. Purple ribbons will be reserved for state fair exhibits.

### **WHAT CLASS?**

When you are deciding what class your exhibit should be under, LOOK AT YOUR GOAL! Whatever your GOAL is, determines what class you should enter.

A flower painting could go in Visual Art if the goal was to learn how to paint different types of flowers. If your goal was to create a painting that matches with your newly floral decorated room, it would go under Home Improvement.

### **HELP SHEETS & TIP SHEETS**

Help Sheets and Tip Sheets are available at the Extension Office and also at the Iowa 4-H Website. Both of these forms will help you explain the principles and elements of design of each project area and help to prepare you for judging day. They also have possible questions the judge may ask you during your judging time.

### **DO I NEED TO PRE-REGISTER FOR STATIC JUDGING DAY?**

To enter static (non-livestock) exhibits, you simply need to show up on Tuesday with your non-livestock projects. There is no pre-registration for non-livestock exhibits.
