**Saturday: 9 AM - 1 PM**

2022  
**ALL IOWA READS**  
*THE BUTTERFLY EFFECT*  
by Rachel Mans McKenny

*Is there such a thing as an anti-social butterfly?*

If there were, Greta Oto would know about it—and totally relate. An entomologist, Greta far prefers the company of bugs to humans, and that's okay, because people don't seem to like her all that much anyway, with the exception of her twin brother, Danny, though they've recently had a falling out. So she lands a research gig in the rainforest of Costa Rica, and leaves it all behind.

But when Greta learns that Danny has suffered an aneurysm and is now hospitalized, she abandons her research and hurries home to the middle of snowy Iowa to be there for her brother.

## Coming up:

Jan 1 - **Library closed**
