

VOTER PPEL

PHYSICAL PLANT AND
EQUIPMENT LEVY

WHAT IS PPEL?

- Physical Plant and Equipment Levy (PPEL)
- Voter Approved PPEL must pass through regular election (50%) and will remain in place for up to 10 years
- Maximum taxable amount is \$1.34 per \$1,000 taxable valuation

ALLOWABLE USE OF PPEL

- Transportation:** New buses and school vehicles, general maintenance
- Buildings:** Repairs, renovations, expansions, demolition, equipment
- Technology:** Audio and visual learning equipment, software, computers

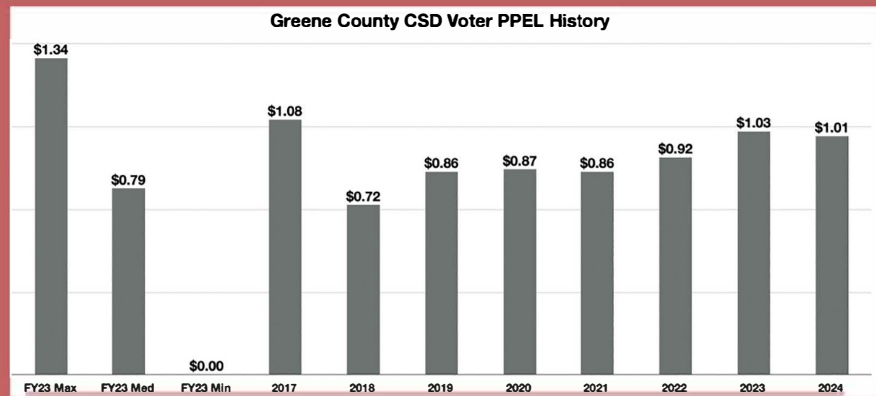

TAXES

Taxes will not increase if approved. Public approval is needed to continue to receive voter-approved PPEL funds for another 10 years. This ensures that GCCSD will have funds for new projects, maintenance, and technology in the future.

PAST USES OF PPEL

- Middle School playground equipment
- Non-instructional software
- Chromebooks and computers for every student
- Touch screen displays in every classroom
- New and updated bus fleet; 2 additional buses
- Scoreboards in the HS gym and Linduska Field
- Roof replacement at the Middle School
- Building security updates
- Asbestos removal and demolition at former administration offices

PPEL HISTORY IN GREENE COUNTY

Help keep Greene County Community School District moving forward by voting on the Voter Approved PPEL measure. This directly benefits our students, programs, and the efficient operation of our school district.
